- **Minnesota Department of Education (MDE) review:** during this calendar year, MDE will require record review training for district representatives, will conduct a site visit and other monitoring activities, and will issue a monitoring report of your district's compliance with state and federal laws.
- **Self-correction:** following any review of individual student records, the federal office of special education programs requires that the district correct all identified individual student non-compliance. The district will complete that responsibility during this year.
- **Free:** the district is not scheduled for mde review, self-review of self-correction. The district is free to implement any corrective action or continuous improvement initiatives.
- **Self-review:** during this calendar year, mde will require record review training, followed by the district's self-review of student records for compliance with state and federal laws. Follow a review of the district's compliance, the district will determine corrective action initiatives to implement in response.
