

Affirmation of Consultation with Nonpublic School Officials That Includes Student Selection Criteria

Name of Local Education Agency (LEA) _____

Name of Nonpublic School _____

To ensure timely and meaningful consultation during the design and development of the LEA's programs under Title I, Part A, the local LEA has consulted with nonpublic school officials prior to any decision being made by the district which would affect the opportunities of the nonpublic students and teachers. *[Section 1120(b), CFR 200.63]*

The following topics were discussed during the ongoing Title I consultation process:

- * Data sources to be used to identify student needs;
- * Services to be offered;
- * How, where, and by whom the services will be provided;
- * How the services will be academically assessed and how the results of that assessment will be used to improve services;
- * The size and scope of the equitable services to be provided to the eligible nonpublic school students, and the proportion of funds that is allocated for such services;

The method or sources of data used to determine the number of students from low-income families in participating school attendance areas who attend nonpublic schools;

* How and when the district will make decisions about the delivery of services to nonpublic school students, district employee or third party provider;

The needs of nonpublic school teachers who teach Title I students and the professional development program that will be designed to meet these needs;

The needs of families of Title I students and the family involvement program that will be designed to meet these needs; and

Process to follow in case there are disagreements regarding Title I services.

The * items are required for Title II and III consultation. *[Section 9501 (c) (1) (A-F)]*
