1. By signing and submitting this form, the prospective lower-tier participant is providing the certification set out on the reverse side in accordance with these instructions.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower-tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower-tier participant shall provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective lower-tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower-tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.

Each participant may, but is not required to, check the Excluded Parties List System (EPLS) on the U.S. System for Award Management website.

The undersigned proposes to operate the food service management program for School Food Authority (SFA) _____ during school year _____, for actual direct costs that Company is responsible for (see Cost Responsibility Detail Sheet), up to the maximum direct costs shown below, plus the fixed administrative fees shown below. This proposal is based on the information provided by SFA in its Request for Proposals including the total numbers of meals and meal equivalents estimated by SFA. The awarded contract will require the company to bill school food authority for actual direct costs net of all discounts, rebates and other applicable credits due to school, plus the fixed administrative fees.

The value of USDA Foods received by Company during the school year, which will reduce the actual direct costs payable by SFA, will be disclosed by Company to SFA as required by Program regulations.

The contract will be awarded based on SFA's award of points for the lowest total of direct costs and administrative fees, and other non-price evaluation criteria established by SFA.
