Interpretive Cautions. The notes below are an integral part of the accompanying table.

Examinees whose data are presented in this document may not reflect the same performance as that of examinees who will take these tests in the future.

Extreme caution should be used in interpreting data for small numbers of examinees. The examinees for whom results are presented in this document may not reflect the same proportion of all the types and capabilities of examinees in the population who will take the tests in the future.
