Subject: State Fiscal Year (SFY) 2015 Deductions for State Services for the Blind (SSB)

The spreadsheet shows districts that indicated on their Federal Special Education Application Cover sheet for SFY 2015 that they authorized Minnesota Department of Education (MDE) to withhold funds for the State Services for the Blind (SSB). This agreement with the State Services for the Blind runs through June 30, 2016. The purpose of these funds is to provide Braille textbooks/materials and audio materials that are needed by the districts participating under this agreement for students requiring these materials as part of their education. The districts listed on the spreadsheet granting permission to withhold SSB dollars do not receive any invoices for the services provided by State Services for the Blind. Therefore, there will be no expenditures to enter on the Electronic Data Reporting System (EDRS). The spreadsheet indicates the actual amount of funds that are being withheld from your district Federal Part B Section 611 funds Uniform Financial and Reporting System (UFARS) Finance Dimension 419 and will be deducted from your final allocation in the State Education Record View System (SERVS) Financial. You will need to log into SERVS Financial under "Manage allocations/competitive awards" and adjust your award amount.

Districts that did not choose to participate in the agreement are responsible for providing and paying for accessible materials and will be billed for services by State Services for the Blind.

Any questions regarding the agreement can be directed to Joan Breslin-Larson at 651-582-1599 or joan.breslin-larson@state.mn.us. Questions concerning the adjustment to your Federal Part B Section 611 funds UFARS finance code 419 can be directed to Stephen Collins at 651-582-8467 or Stephen.collins@state.mn.us.
